Order FOSTAC® Tachyonization Service

I hereby give FOSTAC AG a binding order to energize the following items, i.e. to tachyonize them with FOSTAC technology.

Client: Company:
Name: First name:
Address:
Zip code: Location:
Phone: Email:

Description of the objects to be tachyonized:

Designation and material: Quantity:
Remarks:

Order conditions / Disclaimer:

Important: The following materials are not permitted for this service: precious stones, plastic (incl. nylon, polyester, elastane, artificial silk, rayon, acrylic etc.) and glass of all kinds.

Materials that are suitable for this are: 100% natural textiles (cotton, wool, silk, linen, etc.), metals, many types of jewelry (excluding precious stones), furs, etc., i.e. bed linen, clothing, wedding rings, animal blankets, etc.

The cost of the order is based on the current price calculation of this service according to the invitation to tender and the processing time is 3 to 5 weeks.

FOSTAC AG treats all items submitted with respect and as carefully as possible, but declines all liability should any of the items give cause for complaint after return or be lost or damaged during transportation.

I hereby guarantee that the items submitted meet the criteria listed above or will otherwise be returned at my expense without energization. I acknowledge and accept the price calculation and the order conditions:

Place/date: **Signature:**

Please send us the completed and signed form together with the items to be tachyonized so that we can carry out your order as requested. Thank you very much for your help!
