

ELIXIER OF THE ASCENDED MASTERS

Illuminates energetic blockages, increases consciousness and leads to pure being.

The **ELIXIER OF THE ASCENDED MASTERS**, which represents all the Masters of the White Brotherhood, affects all sound and color spectra from the astral body to the density of matter. The elixir activates in our body a network of light threads, which enliven, refresh and completely lighten up into the cell nuclei. The result is a whirl of light that cleanses, transforms and builds up all discordant sounds and reminds our whole being of harmony. Thus this harmony gradually (when used over a longer period of time) adjusts itself.

The elixir connects us with the original state of our True Being. It increases our vibration as well as our consciousness, it centers and lets us experience peace within us and with all that is.

Depending on the process we go through, the appropriate Master is activated, who supports us in the most optimal way. It is quite possible that several Masters are active with us at the same time.

The dosage is tested individually. Our consultants will be happy to assist you.
