

STAR OF LOVE

With the **STAR OF LOVE** a very dense and powerful field of light penetrates the physical and the ethereal bodies.

Any remaining energetic blockages are irradiated by the light and made conscious. Physical, ethereal and emotional disharmonies can be balanced.

The STAR OF LOVE with its diamond cut, represents beauty and purity on a material level.

By purchasing this product you support our aid campaign to the benefit of HAPPY CHILDREN in Nepal.

Material: Glass

Size: Height 18 mm, Ø 24 mm
