

WRIST BAND

The **WRIST BANDS** (applied in pairs) balance the energy of both brain hemispheres and thus bring clarity in mental processes.

They stimulate the acupuncture points on the wrists and activate the meridian flow.

The WRIST BANDS are suitable for children with learning blockage and for the support of the ability to concentrate.

The efficacy does not diminish even after repeated washing.

TECHNICAL DETAILS

Material: 100% cotton

Size: One size

Care:
